AKELA FLATS, N.M. -

It's been a year since Fort Sill Apache land near Deming, N.M., was designated as a reservation.

The tribe bought the 30 acres of land in 1998. They've been working for more than a decade to build a casino there.

Tribal members are hoping to see the project completed as soon as possible because they say it's the only way they'll be able to fulfill their dreams of returning home.
